Press release

Claudia Mayfeld's Chief Human Resources Officer Contract at Knorr-Bremse Extended Early

Munich, October 13, 2023 – The Supervisory Board of Knorr-Bremse AG has extended the contract of Dr. Claudia Mayfeld (59) for her role as chief human resources officer for five years as of May 2024. On top of that, she will continue to have responsibility for Integrity, Legal Affairs, IP, and Data Protection globally as an Executive Board member.

Claudia Mayfeld was appointed to the Executive Board of Knorr-Bremse AG in 2021 and took on global responsibility for the then-new area of Integrity and Law on the Executive Board. Since May 2022, she has also been responsible for HR at the Knorr-Bremse Group globally.

Dr. Reinhard Ploss, the Chairman of the Supervisory Board of Knorr-Bremse AG, said: "Ms. Mayfeld has demonstrable technical expertise and is accepted broadly, offering a valuable foundation for the strategic groundwork and business decision-making at Knorr-Bremse AG. Her passionate commitment to increased diversity also makes a lasting influence on the company and supports our successful business development. We are happy to continue working with Ms. Mayfeld over the long term."

Marc Llistosella, Chief Executive Officer of Knorr-Bremse AG: "Claudia Mayfeld enriches our Executive Board greatly with her experience, pragmatic suggestions for solutions, and expert advice. She inspires employees time after time through her commitment and clarity. On behalf of the Executive Board team, I am pleased that we will be able to keep shaping the future of Knorr-Bremse together over the coming years."

Claudia Mayfeld: "I would like to thank the Knorr-Bremse Supervisory Board for their trust in me. In HR in particular, we initiated and made progress on a range of corporate culture projects in the last two years and I am looking forward to maintaining this important development and overseeing it further."

About Knorr-Bremse
Knorr-Bremse (ISIN: DE000KBX1006, ticker symbol: KBX) is the global market leader for braking systems and a leading supplier of other safety-critical rail and commercial vehicle systems. The products made by Knorr-Bremse contribute tremendously to increased safety and energy efficiency on railways and highways. About 32,600 employees who work at over 100 locations in more than 30 countries apply their expertise and motivation each day to meet their customers' needs for products and services. In 2022, both divisions of Knorr-Bremse generated a total of € 7.1 billion in revenue. For more than 115 years now, the company has been an innovative force in its industries. It fuels developments in mobility and transport technology and has moved to the forefront of connected system

solutions. Knorr-Bremse is one of Germany's most success industrial groups and profits from major global megatrends: urbanization, sustainability, digitalization, and mobility.

DISCLAIMER

This publication has been independently prepared by Knorr-Bremse AG. It may contain forward-looking statements which address key issues such as strategy, future financial results, events, competitive positions, and product developments. These forward-looking statements – like any business activity in a global environment – are always associated with uncertainty. They are subject to a number of risks, uncertainties and other factors, including, but not limited to, those described in Knorr-Bremse's disclosures. Should one or more of these risks, uncertainties, or other factors materialize, or should underlying expectations not occur or should assumptions prove incorrect, the actual results, performances, or achievements of Knorr-Bremse may vary materially from those described in the relevant forward-looking statements. Such forward-looking statements may be identified by words such as "expect," "want," "anticipate," "intend," "plan," "believe," "seek," "estimate," "will," "project," or words of similar meaning. Knorr-Bremse does not intend, nor does it assume any obligation, to update or revise its forward-looking statements regularly in light of developments which differ from those anticipated.

This publication may include supplemental financial measures – not clearly defined in the applicable financial reporting framework – that are or may be alternative performance measures (non-GAAP measures). Knorr-Bremse's financial position, financial performance, and cash flows should not be assessed solely on the basis of these alternative supplemental financial measures. Under no circumstances do they replace the performance indicators presented in the consolidated financial statements and calculated in accordance with the applicable financial reporting framework. The calculation by other companies that report or describe similarly titled alternative performance measures may vary despite the use of the same or similar terminology.
